

## 2026 AMERICAN CRAFT SPIRITS COMPETITION

### SUBMISSION GUIDELINES

The American Craft Spirits Association (ACSA)—the nation's only 501(c)(6) trade group dedicated to representing U.S. craft spirits producers—invites entries for the 12th annual American Craft Spirits Competition.

### COMPETITION JUDGES

The competition judging will take place in a non-public event on November 4 & 5, 2025 at Cotton & Reed in Washington, D.C.

- **Judging Chairs:** Colton Weinstein (Liba Spirits) and Jeff Wuslich (Cardinal Spirits)
- **Judges:** Each judging panel will include distinguished professionals representing a wide range of expertise across the spirits industry. To ensure impartiality, no judge with a vested interest in a specific category will be assigned to evaluate entries for that category.

### MEDALISTS ANNOUNCEMENT

Category medalists will be announced at an awards ceremony during the 2026 American Craft Spirits Convention & Expo on April 17 & 18 in Sacramento, California.

Because medalists are revealed live at our Spirits Awards event, we warmly encourage you to join us at the convention and be part of the celebration. Learn more and register at: [americancraftspirits.org/convention](https://americancraftspirits.org/convention).

### CATEGORIES

The categories of Brandy, Gin, Rum, Specialty Spirits, Ready to Drink Cocktails (RTDs), Vodka, and Whiskey (including Bourbon) will be judged.

**Innovation Award:** To celebrate true creativity and craftsmanship, ACSA has expanded its award structure. Alongside the Best of Class honors, we are proud to present the Innovation Award, designed specifically to highlight and reward exceptional originality. We recognize that some of the most remarkable spirits push boundaries and defy traditional flavor profiles within their categories. If you've created a spirit that feels like an 'outlier,' rest assured—it still deserves recognition.

## SUBMISSION INFORMATION

- While membership in ACSA *is not* a prerequisite for entering the competition, to enter your spirits you must be *eligible* for voting membership as defined by ACSA.<sup>1</sup> ACSA membership does provide a significant discount on entry fees.
- ALL products must have a valid COLA from TTB. We reserve the right to request a copy of your COLA should there be a question as to an individual submission. Each spirit must have received formal approval for the “fanciful name” with a corresponding COLA by the date of judging or that spirit will be ineligible for evaluation.
- You must identify whether your spirit is: Made from Scratch (Craft-Distilled): Spirit fermented, distilled, aged, and bottled entirely in-house, with no third-party spirits added or blended at any stage. Or Third Party Distilled (Craft-Produced): Spirit distilled in-house and blended with third-party spirits, or entirely sourced from third-party spirits and bottled.
- The Judging Chairs reserve the right to reclassify a submitted spirit based on its professional judgment.
